Comfort foods made fast and healthy!

by Healthy Exchanges Crispy Apple Dessert

The apples soon will be ready at your favorite orchard, and so here is just the right recipe to try them in.

- 1/2 cup plus 1 tablespoon all-purpose flour
- 1-1/2 teaspoons baking powder
- 1/4 teaspoon table salt
- 1 egg, slightly beaten, or equivalent in egg substitute
- 1 tablespoon plus 1 teaspoon I Can't Believe It's Not Butter! Light Margarine
- 1/4 cup Land O Lakes Fat Free Half &

Half

- 3/4 cup Splenda Granular
- 1 teaspoon vanilla extract
- 1-1/2 cups (3 small) cored, peeled and diced cooking apples
- 1/4 cup chopped walnuts

1. Heat oven to 325 F. Spray a 10-inch pie plate with butter flavored cooking spray.

2. In a large bowl, combine flour, baking powder and salt. Add egg, margarine, half & half, Splenda and vanilla extract. Mix gently just to combine.

3. Stir in apples and

walnuts. Evenly spread batter into prepared pie plate. Bake for 35 to 40 minutes.

4. Place pie plate on a wire rack and let set for at least 5 minutes. Divide into 6 servings.

Tip: Good topped with Cool Whip Lite. If using, don't forget to count the additional calories.

Serving You 7 Days A Week All Year Round

Open: 8am-6pm

Dolly and Rodney Fikes of Mohawk have attended and sold their crafts of hand-painted roofing slate at the Craft Fair for over 30 years. "My customers know they can find me here!" Dolly says.

Tom Brewster, Christine Osinski, Bill Murphy and Barbara Hojohn are a few of Fort Klock's members and volunteers that make everything come together and work at the Giant Craft Fair.

Fort Klock 11

Fort Klock from 10

This year there was a new Chair of Fort Klock's Giant Craft Fair committee. Joan Kark-Wren stepped up to fill the position. "It was a little hectic at first," Kark-Wren said. "But it turned out fantastic!"

Kark-Wren said that "despite a few hiccups, courtesy of Mother Nature, the craft fair went very smoothly — and we had a lot of positive feedback from both crafters and guests."

Many guests at the event were buying gifts to store away for Christmas.

Maria Whalen of Fort Plain says she comes every year to shop at the event. "I am always pleased with the different vendors," said Whalen. "There is always such a nice variety and I like to see the returning vendors that come year after year, I look forward to seeing them."

Whalen says she gets herbs every year from the Northeast Corner Herb Farm vendor.

Penny Sandora of the Northeast Corner Herb Farm of Fort Anne, says she and her husband have attended the event for close to 20 years. "We've been doing Fort Klock forever! It's a big festival!" said Sandora. "Everybody is very friendly and the customers are all pleasant and nice."

Kark-Wren credits both the crafters and the volunteers for making the show so successful. "Without the support of the crafters and the members of Fort Klock, it wouldn't happen. Everyone does such a great job." Kark-Wren remarked. "We look forward to the 45th annual craft fair being even better!"

Skip Barshied (center) and re-enactor Lisa Emden tell visitors about the Fort's school house, which was open for tours during the Craft Fair.

lihood of a tick bite by taking steps to protect yourself if you live in or visit areas with Lyme disease activity.

In tick infested areas, your best protection is to avoid contact with soil, leaf litter and vegetation. However, if you garden, hike, camp, hunt, work or otherwise spend time in the outdoors, you can still protect yourself:

- Wear light colored clothing with a tight weave to spot ticks easily;

- Wear enclosed shoes, long pants and a long sleeved shirt. Tuck pant legs into socks or boots and shirt into pants;

- Check clothes and any exposed skin frequently for ticks while outdoors;

- Consider using insect repellent (Follow appropriate precautions and product instructions when using these products);

- Stay on cleared, well traveled trails. Walk in the center of trails. Avoid dense woods and bushy areas;

- Avoid sitting directly on the ground or on stone walls;

- Keep long hair tied back, especially when gardening;

- Bathe or shower as soon as possible after going indoors (preferably within two hours) to wash off and more easily find ticks that may be on you; and

- Do a final, full body tick check at the end of the day (also check children and pets), and remove ticks promptly.

Anyone who has been bitten by a tick should be watched closely for at least 30 days. Typical symptoms of Lyme disease include: fever, headache, fatigue, and a large, expanding skin rash that may have a bull's eye appearance. If left untreated, infection can spread to joints, the heart, and the nervous system. Anyone who develops a fever or a rash after being bitten by a tick or spending time in tick infested areas should seek prompt medical care. Most patients with Lyme disease can be treated successfully with a few weeks of antibiotics, especially if treated early.

Lyme disease prevention begins with recognizing the risks and taking action. For more information on Lyme disease visit www.cdc.gov/Lyme.

An evening at the historic Nellis Tavern

ST. JOHNSVILLE, NY — The Palatine Settlement Society invites the public to the annual "Evening at the Tavern." This event is scheduled for Saturday, Sept. 24 from 4-7 p.m., and will be held at the historic 1747 Nellis Tavern on State Route 5 in St. Johnsville.

There will be a variety of hot and cold appetizers as well as wine and beer samples that will be served amidst the glow of candlelight. The ambience will also include period music performed by Ron Burch on the harpsichord. Tickets, available in advance, are \$15 per person with a limited number of tickets available at the door.

Money raised from this event will help fund continued restoration of the 1747 Nellis Tavern and homestead. The ongoing stenciling project, when completed, will highlight the original patterns that decorated the walls of the Nellis home during the early 1800's.

Tours of this historic structure will also be conducted. For information or tickets contact Joan at 518-842-6400.

Poison prevention

In 2014, the 55 U.S. poison control centers provided telephone guidance for nearly 2.2 million human poison exposures. That's about:

- 6.7 poison exposures/1,000 population;
- 42.6 poison exposures in children younger than 6 years/1,000 children; and
- One poison exposure reported to U.S. poison control centers every 15 seconds.

Poison Prevention Tips

- Keep all household chemical products and medicines out of reach and out of sight of children;
- Store medicines and household products separately, keeping them away from food products;
- Keep items in the bottle, box or jar they came in. Putting the contents in an empty food container sends a message that it is okay to eat this product;
- Leave labels on all products, and read the

label before using;

- Refer to medicine as "medicine," not "candy;" and

- Vitamins are medicine, too. Vitamins, especially those with iron, can cause poisoning;

- Keep highly concentrated "single dose packs" of laundry detergent up and away from children.

What if a poisoning happens?

Be Calm!

- Call the Central New York Poison Center at 800-222-1222. It is a good idea to program the number into your cell phone.

The Poison Information Specialist will ask you:

- Your name and phone number;
 - Age and weight of patient;
 - Name on container of product;
 - Amount involved;
 - Time of poisoning; and
 - Any symptoms.
- The Poison Center will

tell you what to do next. Every 8 seconds some-

one needs a poison center...Could you be next?

For more information to www.upstate.edu/poison . call 800-222-1222 or go

Good Housekeeping: Sausage scramble

A combo of sausage, potatoes and egg make this a hearty dish sure to satisfy any appetite. Thanks to its quick cook time, you won't have to spend the entire Sunday morning in the kitchen.

- 8 ounces sausage
- 1 red pepper
- 1 small onion
- 1/8 teaspoon pepper
- 2 cups leftover mashed potatoes
- Poached eggs
- Parsley

1. In 12-inch skillet, cook sausage on medium-

high 5 minutes, stirring to break up with spoon; transfer to small bowl. To skillet, add chopped red pepper, onion and pepper.

2. Cover; cook 5 minutes or until crisp-tender. Add potatoes. Cook 5 to 7 minutes or until potatoes are hot, stirring often. Stir in sausage. Serve with poached eggs. Sprinkle with chopped parsley. Serves 4.

Country Preacher

by Pastor Dan West

What are you afraid of? We all have fears. Some are better labeled as "respect", such as my "respect" for bulls. I used to teach an animal handling safety class, but bulls are unpredictable and BIG!

Other times we truly are just afraid. Think

about Peter when Jesus called to him to walk on the water to come to Him (**Matthew 14:22-33**). By faith Peter got out of the boat and, with his eyes fixed intently on the Lord Jesus, walked toward Him on the water (verse 29)!

But in the next verse we read that he took his

eyes off the Lord and looked around himself at his circumstances, like we often do. At that moment he began to sink. Of course the Lord reached out and saved him, even though he had looked away from Him.

Isn't it the same way in our lives? When we keep our focus on Jesus, we

can happily accomplish great things for Him. When we take our focus off Him, and look at our circumstances, we go down. Dr. David Jeremiah says, "The difference between fear and faith is focus." How true. Where is your focus today?

Whatchamacallits

This week's Whatchamacallit is a Betty Lamp, which burned grease, fish oil or animal fats depending on where the owner lived and what was on hand. It is part of a larger family of grease lamps. Betty lamps were designed and largely used during the 18th and 19th centuries.

They were usually attached to a chain with a hook on the end for hanging and sometimes would also have a hooked utensil attached to it (the pickwick) for retrieving the wick from the hot oil, as they would frequently

slide back into the reservoir.

It could be hung from a mantle, wall peg or stuck into a rafter. It was also hung on the rung of a ladder back chair.

Its design is not much different from the ancient clay lamps in size and shape and according to my research was the natural progression of this source of lighting

once man perfected the art of metal-lurgy.

The term "Betty" is derived from the German "besser" — better or in a superior way, and it evolved from the simple spout lamp or "crusie".

It was a "better lamp" due to the addition of the wick holder (shown in the close-up photo), which allowed the drippings from the wick to run back into the reservoir to be burned instead of "wicking" out and over the edge of the lamp.

Wicks were made from pieces of twisted cotton or other fibers.

Some time after that, the lid was added, further improving the lamp by confining heat, decreasing the smoking and making the oil burn more efficiently.

Both of these changes made the lamps safer by reducing the chance of house fires.

9/11 events echo 15 years of remembrance

Robert Metzger, Bob Ostroski and John Osinski performed a musket salute during the Fort Klock Craft Fair in remembrance of the lives lost on 9/11.

Photo by Joan Kark-Wren

Fort Plain's VFW Post 3275 hosted a ceremony that included representatives from fire and police departments from local communities.

by Elizabeth A. Tomlin

Many 9/11 ceremonies took place locally and across the country, commemorating the terrorist attack on our nation and especially New York, 15 years ago.

"It's an honor for me to be part of this," said Brad Schrell, retired New York City police officer and current Commander of Fort Plain's VFW Post 3275.

Schrell was speaking of the 9/11 remembrances that took place in Fort Plain on Sunday. "This was the very beginning of the United States being attacked by terrorists," said Schrell. That example of 3,000 people being killed reminds us to protect ourselves and our country."

Schrell said that 9/11 marked the beginning of Homeland Security and an upgrade in police and firemen attitudes. "They were all changed because of 9/11."

Representatives of the firemen and police officers attended the ceremony in Fort Plain from Fort Plain, Canajoharie, St. Johnsville, South Minden and Rural Grove. GAVAC EMTs

and paramedics also attended the event. Montgomery County Emergency Management Director Jeff Smith was prominent at the ceremony.

David Smith, Lt of the Squad and President of VFW Auxiliary commented. "The reason we have the 9/11 celebration," said Smith, "is because we want people to remember that we have survived and conquered our fears of terrorism in this country."

The ceremony included a prayer said by Schrell, a mournful trumpet rendition of Taps played by Renee Hotaling and a 21-gun salute.

A number of churches in the Canajoharie gathered together to commemorate the historic day. Rev. Ginny Ogden, pastor of the Church of the Good Shepherd, remarked that five churches in the area were honored to sponsor the 9/11 event held on the NBT Bank lawn in the center of the village.

Ogden said the event "was promoted as a day of 'Remembrance, Fellowship, and Thanksgiving.'"

Other churches participating included St. John's - St. Mark's, Trinity Lutheran, Canajoharie Reformed, and Faith, Hope and Love Christian Fellowship.

"The proceeds from the sale of food items will go to benefit our first responders," said Rev. Ogden. The band "Stone Soup" provided entertainment for the event.

"The purpose was to

Photos by Elizabeth A. Tomlin

have a time for the community to gather to say thank you to our first responders who serve us, and to remember those lives lost in the attacks," commented Ogden.

In addition to other local ceremonies, an early morning 9/11 ceremony was held at Freysbush United Methodist Church with prayer, and a musket salute took place at Fort Klock.

The flag flies at half mast behind the Stone Soup band at the Canajoharie event.

Members of the Church of the Good Shepherd greeted attendees at the Canajoharie 9/11 event.

Fonda Speedway honors Bill Fake

Bill Fake received the Fonda Speedway Museum Pioneer Award on Aug. 6.

On Saturday, Aug. 6, the Fonda Speedway inducted several honorees into its Hall of Fame, but only one received the Fonda Speedway Museum Pioneer Award.

This year's recipient was Bill Fake. Following are portions of the email sent to his family notifying them of the honor:

"We are honored to present your dad with the 2016 Fonda Speedway Museum Pioneer Award. This is an award presentation recognizing your father's involvement in the history of Fonda Speedway and his continued passion for the sport that nearly took his life. Your father is a perfect representation of the trials and tribulations that the pioneers of our sport went through... But unlike many of the tragedies of the rough and tumble beginnings of our sport, Bill Fake was able to continue on with life, raising a family and becoming a successful self made business man... And as the proverbial frosting on the cake, he is able to be here with us in his 82nd year and help us look back on the sport that we all so love."

The owners of the car were Burt Edmunds, Arnold and Henry Flood. The pit crew consisted of Burt, Arnold, Henry and Don Reed.

Bill felt very honored to be presented with this award. "I would like to thank Don Edmunds and the Fonda Speedway Hall of Fame Committee for this prestigious honor and award. I also would like to thank part of my pit crew who were able to be with me her tonight — Henry Flood and Don Reed. I couldn't be happier to be here and be surrounded by my wonderful family, who has traveled from Michigan, North Carolina, Virginia, Massachusetts and all points of New York State. This is truly a night I will never forget," said Fake.

Bill gives account of his racing career

My racing career started at age 18 on a dirt track in Columbia Center. My passion for this great sport continued at age 19 and 20 racing in Panes Hollow at the dirt track nicknamed "Goodle's dust bowl". I went off to college at Morrisville pursuing my passion for cars and building an engine that was used in my race-car.

It seemed like forever, but I finally reached the age of 21 on May 24, 1955.

The owners of Bill Fake's car on that fateful day in 1955 were Burt Edmunds, Arnold and Henry Flood. The pit crew consisted of Burt, Arnold, Henry and Don Reed.

This was the required age to race at the "famous" Fonda Speedway — which was my ultimate goal. I applied for my NASCAR driver's license in the first week of June and began my Fonda racing career one week later. I raced there every Saturday night following but was never able to finish due to some mechanical failure or an overheating issue that we were battling. During a Sprint Car race night, I did place first in a consolation race.

My crew and I worked very hard and corrected the overheating issues by September of that same year. The car was running exceptionally well and on Sept. 17, I was driving hard to finish in the top 5 places in order to qualify for the Langhorn Track in Pennsylvania. I qualified in the second heat but had suffered a hit to the right front wheel. I moved into the feature and was again hit in the same place on the seventh lap restart. No one at that time noticed my hub was cracked nor the impact it was about to have. I don't recall much after that restart, as I was driving out of my mind to hold my position in the top 5. All I know is that I was running fourth and holding off the eventual winner of the race, Steve Danish. Danish always took the opportunity in front of the grandstand to pass anyone running strong. On the 17th lap of the 25 lap race, as I rounded the third turn, the hub broke, my right wheel came off, the right suspension dug into the track and flipped my car onto its

roof with the rear of the car facing the third turn.

Being upside down, the gas was running through the car as the tank was positioned in the trunk. When Stan Bellingner came around, it was said he was experiencing radiator issues that spewed liquid onto his windshield impairing his vision so he was driving looking out the driver's side window. He never saw my car and drove into the back and right through it with my rear bumper piercing through his windshield.

There must have been sparks as metal met metal and the gas ignited. I was told that Jerry Jerome, who was behind both Stan and me, turned around and came back — to be the first one there with his car's fire extinguisher until Whitbeck and the fire crew got there.

Stan suffered a concussion and flash burn to his face and was in the Amsterdam Hospital approximately 11 days. I remained there for 3 ½ months with nurses around the clock for 10 weeks.

I probably wasn't the most ideal patient as the doctor told my nurses and me that I could have anything I wanted. So it was a daily request of mine to have freshly squeezed orange juice and if someone brought it otherwise, I made them quickly correct that mistake.

The operating room was a familiar place as I was in there at least twice a week for skin grafting or the removal of infected hide. Upon my premature de-

parture from the hospital with the doctor wanting one more skin graft, I went home to my grandmother who painstakingly removed and reapplied bandages every day for the next 6 months until I was fully healed and beyond the risk of infection.

While that was the "not so good" time of racing, I did have fond memories with one being the best friendship I developed at the track.

Willy Chest was a fellow racer and we always pitted side by side. That night of my accident, I had forgotten my driving gloves and he gave me his for the feature race. Even though he's not with us anymore, I never got the chance to say thanks, but I understand he was presented with a trophy for the most last place finishes here at Fonda.

After Bill's acceptance of the award, he presented the museum with his helmet. "As a token of my appreciation, I would like to present the museum with the helmet that I wore that night and during my racing career at Fonda. While my accident shortened my racing career, it also had a silver lining. It is good to know that as a result, safety features have been established such as fire suits and fuel cells which now keep drivers today much safer in a sport that so many of us are passionate about.

Thank you again to the Fonda Speedway Hall of Fame Committee and everyone that is here to share in this honor with me," Fake concluded.

GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

Krutz Properties is #1 per Capital District MLS for property SOLD in Montgomery County!

025: 573 West Ames Road, **FORT PLAIN:** Are you a handyman, interested in Historic Preservation or someone just looking for move-in-ready? The owners are getting ready to renovate. If you are interested in purchasing at a considerable lower price (lower than \$85,000 without the renovation), take a look. As the work progresses, there is less room for negotiations. This is a 196 year old brick colonial with a large garage, a 20x55 two story storage barn and a separate milk house that can be converted to anything you wish. All have good roofs and in very good condition. Call for more details. **Asking \$85,000**

026: 0 Salt-Springville Road, **FORT PLAIN:** This is a two parcel lot with separate deeds to be sold as one unit (10 acres total). A great place to build a home. Nice quiet country road, within easy travel distance to Cooperstown, Cherry Valley, Sharon Springs, Canajoharie and Fort Plain. Get away from the city for peace and quiet, but with plenty of activity in the surrounding area. **Asking \$45,000**

402: 24 River Street, **FORT PLAIN:** This is a large 2-family home with a detached 2-stall garage with a store front and loft. This would be perfect for your own business. In unit 1, there are hardwood floors, a beautiful new kitchen and front porch. In unit 2, work is in progress with a freshly painted kitchen, new ceiling in the kitchen, and light, laundry room has been painted and in the hallway new sheet rock has been installed. There is amply off street parking for both units. This is an ideal property for the owner occupant. **TAKE A LOOK!!! Asking \$63,500**

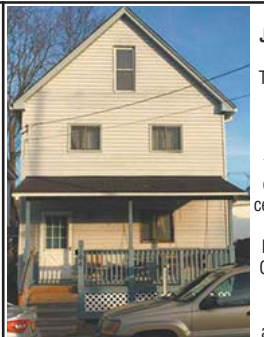

509: 8 West Liberty Street, **ST JOHNSVILLE:** Two story, 3 bedroom home located on a nice residential street. Many updates to this home include recessed lighting, new carpet and new bath w/tile flooring. Above-ground pool for those hot summer days and a pellet stove to warm up by on those cold winter days. Two stall detached garage w/loft. Nice yard. **Asking \$74,900**

210: **NEW LISTING!!!** 5 Crouse Blvd., **ST. JOHNSVILLE:** Ranch style home located on a side street in St. Johnsville. A beautiful backyard, back patio and a large breezeway. Eat-in kitchen with Wood Mode cabinets and a living room with hardwood floors. Full basement. **Asking \$89,999**

511: **REDUCED!!!** 46 Clinton Ave., **FORT PLAIN:** Welcome to your home! Walk into the front door and you will love the hardwood floors and fireplace in the living room. Entertain in the formal dining room w/tile flooring. Large eat-in kitchen w/sliding glass doors to a beautiful patio and in-ground pool (17x37). This is an amazing home and a **MUST SEE! Asking \$139,000**

300: 104 Meadow Street, **JOHNSTOWN:** Two story single family home with front porch. This is a great starter home has an eat-in kitchen with bay window, partial bathroom downstairs, full bathroom and three bedrooms upstairs. New entrance door with knotty pine ceiling when you walk in. Stained glass window on landing between first and second floor. Close to downtown Johnstown. Short ride to many stores and restaurants. Roof and furnace are both older. **Asking \$59,900**

834: 118 Montgomery Street, **CANAJOHARIE:** Great 2 bedroom home with option of a 3rd bedroom in den area. Full bath, laundry, dining room, living room with picture window on first floor. Bedroom with large closet and 1/2 bath and second bedroom on 2nd floor. There is a large coat closet, kitchen with lots of cabinets, double wall oven, counter top stove and a large pantry. There is a patio outback with a large back yard and a relaxing front porch out front. Walking distance to downtown and schools. Open area with dining room, kitchen and den. **Asking \$69,900**

The Garden Bug

The sap of the **giant hogweed** plant can cause severe skin and eye irritation, painful blistering, permanent scarring and blindness when combined with sunlight exposure. It is contacted by brushing against the bristles on the stem or breaking the stem or leaves. If you come in contact with the sap, wash it off as soon as possible with soap and water, and keep the affected skin hidden from sunlight for 48 hours. Giant hogweed is listed as a "noxious weed" by the US government.
